

ECO-ADVENTURES

■ RAINFOREST WILDLIFE SANCTUARY

Be greeted by a naturalist guide after an eight mile coastal drive to this private 40 acre reserve. Meander down an improved trail that transitions to a boardwalk over a grassy wetland. The trail runs alongside Eagle Creek that attracts spawning salmon, bears, and eagles. After the trail walk, visit the Alaska Wildlife's Reindeer Exhibit, tour a historic sawmill, watch a Master Native totem carver at work and visit the Alaska Wildlife Foundation's Raptor Center. Shop in the general store before the coach ride back to Ketchikan. Tour operated by the Alaska Rainforest Sanctuary from May to September on a scheduled basis.

- Enjoy this fully guided experience with a naturalist!
- Walk through and enjoy the lush rainforest!
- Best wildlife viewing location accessible by road!
- Discover unique items and enjoy a snack at the store!
- Tour length is 2 hours 45 minutes including transfers.

■ RAINFOREST SANCTUARY & CRAB FEAST

Experience two of Ketchikan's highlights on this combination eco-tour and crab feast. Enjoy a guided walk into a dense rainforest in Herring Cove. See a Native totem carver at work and visit Alaska Wildlife Foundation's Raptor Center and Reindeer exhibit, before heading to the lodge for a crab feast. Enjoy freshly cooked Dungeness crab in a spectacular lodge setting along George Inlet.

- Two great Alaskan experiences in one tour!
- Great wildlife viewing at Herring Cove!
- Peaceful rustic setting at George Inlet lodge!
- All-you-can-eat crab!
- Tour length is 4 hours including transfers.

■ ADVENTURE KART EXPEDITION

Sit back, strap yourself in, and hit the accelerator for the adventure of a lifetime! Mountain trails through a privately owned timber harvested area offer the perfect venue for off-road challenges. Learn about the history, culture and economy of Ketchikan as you are transported by motorcoach to this rainforest wilderness. A comfortable pace is maintained as you thread your way around steep curves. Tour operated by Adventure Karts LLC from May to September on a scheduled basis.

- Experience the rugged Alaskan wilderness!
- The off-road adventure in a specially designed kart!
- Enjoy 14 miles of mountainous terrain!
- Views of Behm Canal, Tongass National Forest and the Inside Passage!
- A snack and bottled water served at half way point!
- Tour length is 3 hours 15 minutes including transfers.

NOTES FOR KARTS: Driver's must provide a current license and be at least 16 years old. Minors must be accompanied by an adult and have parental consent. Weight requirement is 40-300 lbs. Minimum height is 50 inches. Karts accommodate two people. Guest with neck or back problems and expectant mothers should not participate on this tour. Waiver required. Rain gear and helmets provided, gloves recommended.

BEAR VIEWING TOURS

■ BEAR COUNTRY WILDLIFE EXPEDITION

You will be guided by a naturalist who will bring the rich rainforest to life as you meander along an improved trail. Watch for bears from the safety of above ground platforms and bridges which maximize your viewing experience. The trail transforms to a boardwalk over grassy wetlands, alongside Eagle Creek. After wildlife viewing you will visit reindeer, a historic sawmill, Master Native totem carver and Alaska Wildlife Foundation's Raptor Center. Tour operated by Alaska Rainforest Sanctuary from July to September on a scheduled basis.

- Only drive up bear viewing location in Southeast Alaska!
- Small, intimate groups guided by an experienced naturalist!
- Amazing wildlife and photographic opportunities!
- Elevated bridges, boardwalks, and viewing decks!
- Tour length is 3 hours 15 minutes including transfers.

■ ALASKA BEAR ADVENTURE

We fly you to one of two prime bear viewing hideaways in a pristine rainforest area, just 20 minutes by floatplane from Ketchikan. An easy ¼ mile hike brings you to a wildlife viewing platform overlooking an abundant spawning stream, where black bears feed on returning salmon. Tour operated by Taquan Air from July to September on a scheduled basis.

- Be guided through the Tongass National Forest!
- Become one of a small group of visitors!
- In flight narration & window seats guaranteed!
- Tour length is 3 hours 15 minutes including transfers.

■ ANAN CREEK BEAR WATCH

Few natural places in North America offer the world class wildlife viewing found from the US Forest Service observatory at Anan Creek. After a ½ mile hike, you may see both brown and black bear feeding on the large runs of salmon returning to the falls. Tour operated by Taquan Air from July to August and based on demand..

- Access strictly controlled by USFS special permit, to protect resources.
- Spectacular round trip flight!
- Beach landing at remote viewing site!
- See both black and brown bear gather!
- Visit a rich salmon spawning stream!
- Tour length is 4 hours 30 minutes including transfers.

NOTES FOR BEAR VIEWING TOURS: Wear comfortable walking shoes, layered clothing and a waterproof outer layer. Rain ponchos available as needed. No food allowed. Wildlife viewing time will vary and sightings cannot be guaranteed. Children must be accompanied by an adult (age restrictions may apply).
